

January 9, 2017

Present: Albert, Morgan, Roger, Rick

Absent: Jack, Sherry

Invocation given by Roger

Rick motioned to accept the minutes from the Dec meeting as is, Morgan 2nd, motion carried.

Public comments:

- Judy Cathey
 - Would like the City to contact TXDot to ask permission to set poles on main street so we can hang banners across for decoration.
- Penny Jones
 - Discussed Christmas décor. Would like to see the City purchase new items to be hung from the street poles. Suggests buying two per month so the expense isn't done all at once.
 - Wonders if the City knew how much the people would be reselling our trees for.

The discussion on water/sewer rates was tabled for lack of information from the engineer.

Contract for selling of trees was tabled until we can find the old one.

Chase and Kenneth addressed the council with a list of items that need to be taken care of. List is attached.

Chase let the council know that the welder is not working at the moment so the park benches and awnings are on hold until it is fixed.

Since Jack was absent from the meeting, the discussion of the waterline to Palo Pinto Creek and across to Brown's was tabled.

Rick asked the council to consider purchasing a wireless bridge for the community center. This is a device that would allow the community center to receive internet from the Library. The total cost of all equipment would be around \$250. Rick will look for used equipment and bring this back to the council at the next meeting.

The EDC recently purchased the lots West of Wrench Runner. Rick motioned to remove the alleyway running North and South. Roger 2nd. Motion carried.

Rick motioned to approve and pay the bills. Roger 2nd, motion carried.

Meeting adjourned!!

Shelby Cathey

Jack Coleman
